

## NEW FOR 2017!

Trusted Coaches and USA Football are proud and excited to launch a partnership to provide football specific training to the Trusted Coaches membership program.

# THE TRUSTED COACHES FOOTBALL MEMBERSHIP

will include the following components essential to a youth football coach:

- **Trusted Coaches First-Aid Training Course**
- **Trusted Coaches Nationwide Criminal Background Check**
- **USA Football's Heads Up Football Program**

### **Trusted Coaches First-Aid Training Course**

The Trusted Coaches First -Aid Course is designed to train youth coaches on the basics of first aid, how to respond to common medical issues, when to return athletes to play, and when to call 911. Collaborating on this course was several medical experts from Fairview Sports and Orthopedic Care and Institute for Athletic Medicine. This course trains youth coaches on:

- First aid basics
- Proper responses to common medical issues
- Evaluating when to return athletes to play
- When to call 911

### **Trusted Coaches Nationwide Criminal Background Check**

The Trusted Coaches background check utilizes the largest collection of county, state, and national criminal databases, including every state sex offender registry.

### **USA Football Heads Up Football Program**

#### **USA Football Youth Tackle Coach Certification**

The coaches in your organization will be trained and certified in important health and safety issues along with the game's fundamentals. Coaches will be trained on teaching the fundamentals of shoulder tackling and blocking in a safer and better way.

#### **Player Safety Coach**

Appointed by your organization, the designated Player Safety Coach will ensure compliance with Heads Up Football player safety protocols, coach certification and continuing education with coaches, players and parents.
