

USA FOOTBALL & TRUSTED COACHES

USA Football and Trusted Coaches (TC) have teamed up to provide football specific training on the Trusted Coaches platform while also delivering core components of the TC program to all youth football organizations for the 2018 season.

**HEADS UP
FOOTBALL**

Working with leading football experts and medical professionals, USA Football developed Heads Up Football specifically to meet the needs of player safety.

Heads Up Football entails the commitment of youth football organizations that all coaches get USA Football Certified. Coaches can get certified in one of two ways:

- **Completing the online Youth Tackle Certification or Recertification**
- **Attending a USA Football Coaches Clinic and then completing an online quiz**

**TRUSTED
COACHES®**

Trusted Coaches delivers high-quality content to educate America's coaches and ensure the safety of their youth athletes, while offering organizations tools to track and manage their coaches.

- **Nationwide Background Criminal Check**
- **Concussion Instruction**
- **First-Aid Training**
- **Positive Coaching Alliance Double-Goal Coach® Character Education Course**
